Introduction to Christian Science Nursing

Course starts June 12, 2017

Serve a healing mission this summer and beyond

Learn how a CS Nurse:
• Ministers to a patient’s needs for proper care
• Wisely preserves an environment conducive to Christ-healing
• Maintains a Christly thought that cherishes each individual
• Offers Christian encouragement in support of the expression of life, vitality, and normal activity

Two weeks of classroom instruction by a Journal-listed Christian Science nurse followed by eight weeks of on-the-job training and mentoring. Students go on payroll as classroom training begins.

Questions?
For more information or an application, call Mary Ladson, Director of Christian Science Nursing at 703-379-6000 or 800-283-4325. Housing may be available. Meals provided on each work shift.
